

Privacy Policy

Bevstack does not collect or store any personally identifiable data on any brand's customers. The Privacy terms presented come from our partners: retailers and carriers. Each brand can add and modify this privacy policy and terms according to what each brand is doing with the data stored on their e-commerce store.

This is what we recommend you add to your website: Check if all Privacy Terms highlighted apply to your brand and modify accordingly.

In conjunction with our partners, including companies producing goods and services sold through our site and technology platforms, or companies providing services associated with the sale and fulfillment of those products and services (collectively, our "Partners"), we are joint owners of the information collected on this site. We, along with our partners, collect use and disclose your Personal Information (including individuals associated with you, all of whom are referred to as "you" in this Privacy Policy) in the normal course of business for the following purposes:

- Providing you with products and services offered on our site which you are interested in;
- Determining your location so we know we and our Partners can target shipping and delivering our products to you;
- Establishing and maintaining communications with you;
- Where you have requested information from us or one of our partners, assisting in the response to your request for information;
- Responding to your inquiries about purchases, accounts and other services;
- Marketing our, and our Partners', goods and services to you, whether such marketing originates from us or our Partners
- Processing transactions through service providers;
- Meeting legal, security, processing and regulatory requirements;
- Protecting against fraud, suspicious or other illegal activities; and
- Compiling statistics for analysis of our sites and our business.

COLLECTION OF INFORMATION

We collect personally identifiable information, like names, postal addresses, email addresses, etc., when voluntarily submitted by our visitors. The information you provide is used to fulfill your specific request.

COOKIE/TRACKING TECHNOLOGY

The Site may use cookie and tracking technology depending on the features offered. Cookie and tracking technology are useful for gathering information such as browser type and operating system, tracking the number of visitors to the Site, and understanding how visitors use the Site. Cookies can also help customize the Site for visitors. Personal information cannot be collected via cookies and other tracking technology, however, if you previously provided personally identifiable information, cookies may be tied to such information. Aggregate cookie and tracking information may be shared with third parties.

DISTRIBUTION OF INFORMATION

We may share information with governmental agencies or other companies assisting us in fraud prevention or investigation. We may do so when: (1) permitted or required by law; or, (2) trying to protect against or prevent actual or potential fraud or unauthorized transactions; or, (3) investigating fraud which has already taken place. The information is not provided to these companies for marketing purposes.

COMMITMENT TO DATA SECURITY

Your personally identifiable information is kept secure. Only authorized employees, agents and partners (who have agreed to keep information secure and confidential) have access to this information. All emails and newsletters from this site allow you to opt out of further mailings.
